Remember that the service you do, if possible should be done with your sponsor. If not, then with a parent. You may ask around your neighborhood and see what and how you could be of service to another person. Do not accept any payment for your service. Some possible services: helping with outdoor work, gardening, sweeping someone drive way, collecting toiletries for homeless shelters or Catholic Charities, visiting an elderly neighbor, making cards for the nursing homes, hospitals, front line workers, etc. Be creative with your service! You are required to do six hours of service. Remember to follow CDC guidelines for safety.

Record your hours and then write a short paragraph, video tape or any other creative way to show what you did for service and what you learned about God, yourself and others in this service. Include some pictures of you doing the service or services.

When you have completed you 6 hours of service: Write a paragraph about your service. What did you do? What did you learn about God, yourself and others as you did this service? Don't forget to include pictures
from your service. This will be due September, when we come back for the completion of your Confirmation
preparation. You can also <mark>video your response</mark> or make a poster to show what you did for service and send
to: <u>imvonderhaar@dioceseofgreensburg.org</u> These will be compiled and put on the parish website.
