

**The Mass**  
**By**  
**Bishop Barron**

**Have you ever wanted to know more about your faith or why we do what we do during mass?**

All adults/parents are welcome to join us for a **4-week** program as we learn the exciting parts of the mass through a presentation, discussions, and snacks. The group will be divided into three sections, the opening portion of the Mass along with terminology of items used during Mass, the second section is on the Liturgy of the Word, and the third section on the Holy Eucharist. The final section we will go deeper in the Eucharist, to help you see what the Eucharistic Revival means to you!
